It contains **naturally occurring fragrance allergens** listed in Annex III of Regulation (EC) No 1223/2009.

1. Typical Allergen Composition (% w/w)

Allergen	CAS No	Typical %	Source
Limonene	5989-27-5	0.2 – 0.5	Trace constituent
Linalool	78-70-6	0.1 – 0.3	Trace
Geraniol	106-24-1	< 0.05	Trace
Citral	5392-40-5	< 0.05	Trace
Farnesol	4602-84-0	< 0.05	Trace
Benzyl Alcohol	100-51-6	< 0.05	Trace
Other Annex III allergens	—	Not detected	—

Total natural allergen content: < 1 %

2. Declaration Statement

- Contains only **naturally occurring trace allergens** below labelling thresholds.
- No synthetic additives or preservatives.
- **Complies with EU Cosmetic Regulation (EC) No 1223/2009.**
- Label if > 0.001 % (leave-on) or > 0.01 % (rinse-off).

3. Storage & Stability

Store tightly sealed, away from heat and light. Patchouli Oil matures with age and may darken over time without losing quality.
